Classifications for which recognition has been granted are enumerated and attached hereto in Appendix A and Appendix B of the Agreement. The term "employee" or "employees" as used herein shall refer to those salaried, regular and probationary employees in the classifications listed in Appendix A and Appendix B. Any classifications added subsequent to this agreement shall be recognized in a Memorandum of Understanding.

ARTICLE 2 – UNION RIGHTS

This Agreement is not intended to modify or change rights of the Union guaranteed by law other than those rights which are referred to in this Agreement.

2.1 CREATION OR DELETION OF POSITIONS

Prior to creation of any new "unit" position(s), it is agreed the Union and District shall consult in the areas of wages, hours, and working conditions as defined by the Educational Employment Relations Act (E.E.R.A.).

2.1.1 The District has the right to delete any position left vacant for ninety (90) days consistent with the District right to "determine the number and kinds of personnel required" as stated in Article 3. District agrees to notify the Union of deletions at least forty-five (45) days prior to the position being officially deleted.

2.1.2 Prior to the deletion of an occupied position, lay-off procedures as defined in Article 18 of this agreement will be followed.

2.2 ACCESS

The Union shall have access to areas in which employees work and to the use of employee bulletin boards, mail boxes, and email, as well as the use of institutional facilities for meetings, concerned with the exercise of the rights guaranteed by the Rodda Act and subject to reasonable rules of the District. The use of facilities for other meetings shall be subject to reasonable rules of the District. Use of college resources and/or facilities shall not violate Section 7054 of the California Education Code, which prohibits the use of District funds, services, supplies, or equipment for the purpose of urging the support or defeat of any ballot measure or candidate.

2.3 UNION POSITIONS

2.3.1 UNION STEWARDS

The Union shall designate up to twelve (12) stewards who, along with union officers, shall be granted release time subject to reasonable regulations by the District for attending meetings related to evaluations, grievances, and/or discipline as noted in Articles 8, 22, and 23.

2.3.1.1 A list of stewards shall be submitted to the Executive Director of Human Resources on an annual basis.

2.3.1.2 No more than one steward or union officer shall be granted release time for a single issue, except as noted in 2.3.1.3 and 2.3.1.4.

2.3.1.3 A new steward may attend meetings related to evaluations, grievances, and/or discipline as part of the training process. In such cases, these stewards shall be observers only, and the new steward will request permission of his/her supervisor to attend. Additionally, the primary steward will advise the supervisor of the represented employee that an additional steward will be present to observe.

2.3.1.4 In the event a particular steward has expertise on a matter and is not serving as the primary steward, the additional steward may be released to assist with the process as long as the supervisor of the additional steward agrees to the request. The supervisor of the represented employee will be advised.

2.3.2 UNION OFFICERS

At the conclusion of the NVC-UCP elections, the out-going president of NVC-UCP will notify the Superintendent/President and Executive Director, Human Resources of the newly elected officers and their duties. A memo will be sent from the Superintendent/President to the supervisor of each new officer outlining the employee's new elected role. The memo will ask the supervisor to support the employee in fulfilling the elective duties by allowing the employee flexibility in his/her work schedule to complete elective duties, so long as those duties do not negatively impact departmental functions and do not result in the use of overtime.

2.3.3 RELEASE TIME

The District supports release time for union officers, stewards, and classified senate officers so they can attend to their elected and appointed functions, including appropriate union officer and union steward training. Except in emergency situations, union officers and stewards will advise their respective supervisors of union-related meeting times with advance notification of at least five (5) days. The Union and District recognize that supervisors may ask that meeting times be changed or postponed due to staffing challenges and/or critical deadlines. The Union and the District agree that such release time is not to exceed four (4) hours per month per individual. Release time allocations are as follows:

- One (1) hour per month per person for Classified Senate Board Meetings
- One (1) hour per month per person for Union Board Meetings
- Two (2) hours per month per person for Union Officer Training and Union Steward Training

In the event issues arise regarding the necessary flexibility to address union activities or the performance of essential functions of the department, the employee and supervisor will consult with the Executive Director of Human Resources in an effort to come to mutual agreement on the matter. If there is no resolution at this level, the Superintendent/President will make a determination on the matter.

2.4 NEGOTIATING TEAM

The negotiating team shall consist of four (4) members who shall be granted release time for negotiations which occur during duty time, including appropriate training. The NVC-UCP negotiating team shall be allowed one hour of release time for every negotiations session to allow for adequate preparation.

2.5 BOARD MEETING RELEASE TIME

The president of NVC-UCP, or designee, shall be granted release time to attend Board of Trustees meetings which occur during duty hours.

2.6 ORGANIZATIONAL SECURITY

- 2.6.1 Except as provided otherwise in paragraph 2.6.2 hereof, any person employed by the District on or after the ratification date of this agreement who is subject to this Agreement shall, within 30 days of his/her first date of hire, either become and remain a member of the Union or shall pay to the Union a service fee for representational services in lieu of membership. On or after the ratification date of this Agreement, current employees subject to this Agreement who are already members of the Union or non-member employees, including employees hired after the ratification date of this Agreement who thereafter elect to become members of the Union shall remain members of the Union for the term of this agreement.
- 2.6.2 Any person subject to this Agreement employed on or after the ratification date of this Agreement may, if such person is a member of a bona fide religious group having conscientious objections to membership or financial support of a labor organization, request exemption from the provisions of paragraph 2.6.1 of this Section. Such person shall submit written evidence of current membership and activity signed by a responsible official of the religious group satisfactory to the Union and the District. Upon approval of a request for a religious exemption, an employee shall be required to make charitable contributions as set forth below.
- 2.6.3 The District shall deduct service fees and charitable contributions from the regular paychecks of persons who elect not to join the Union or persons with an approved religious exemption. Service fees and charitable contributions shall be deducted, on an involuntary basis if necessary, for the term of this Agreement. Persons having an approved religious exemption shall designate an amount equivalent to the usual dues and assessments of the Union to a charitable fund exempt from taxation under Section 501(c)(3) of Title 26 of the Internal Revenue Service Code, including, but not limited to, the Napa Valley College Foundation.
- 2.6.4 During the term of this agreement, the District shall honor and promptly remit to the Union (SEIU Local 1021) all payroll deduction of dues and assessments.
- 2.6.5 The Union shall indemnify and hold the District harmless for any costs or expenses borne by the District in enforcing these provisions or defending actions challenging these provisions.

2.7 COMMITTEE PARTICIPATION

- 2.7.1 The District and Union agree that unit representation on academic senate standing committees and subcommittees; on District selection committees, standing committees and subcommittees; ad hoc college-wide committees; contractual study committees; college-wide task forces; and other college-wide groups is consistent with the District's and unit's commitment to shared governance.
- 2.7.2 The District encourages committee participation by all permanent employees, and commits that, to the extent participation is not detrimental to the employee's job performance or unduly burdensome on college operations, employees shall be offered the opportunity to participate on college-wide committees.

- 2.7.3 In addition to the general encouragement of all employees to serve on college-wide committees, as outlined above in Article 2.7.1, regular employees shall be eligible to participate on one on-going, college-wide committee per year, as part of their regular assignments.
- 2.7.4 All committee participation requires prior supervisor approval on an annual basis. Denial by the supervisor shall be subject to one appeal to the supervisor's supervisor whose decision shall be binding and not subject to further appeal.
- 2.7.5 At the beginning of each school year the Superintendent/President or designee shall send a memo to classified supervisors reminding them of the contract language covering committee participation, staff development, and elected positions within NVC-UCP. The memo will stress the importance of allowing classified staff members to participate actively as provided for in this agreement.
- 2.7.6 Training Opportunities
The District and Union hereby agree that effective participation of classified staff within the college decision-making system requires adequate and sufficient in-service training on a release-time basis. Accordingly, the District will provide appropriate and sufficient training for those classified employees who wish to participate in the following:
- Budget Committee
 - Planning Committee
 - Appraisal and Hiring Committees
 - Staff Development Committee
 - Negotiating Team
 - Executive Committee of the NVC-UCP
 - Classification Review Committee
 - Stewardship

Release for such training will be made in consultation with the supervisors of the participating employees.

2.8 EMPLOYEE LIST

It is understood and agreed that the Union shall receive a list of employees and positions on an annual basis. The District shall honor written requests for additional employment information, with reasonable notice.

ARTICLE 3 – DISTRICT RIGHTS

3.1 DISTRICT RIGHTS

The following will not be interpreted to allow the District to violate the Education Code or otherwise violate any laws. It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included in but not limited to those duties and powers are the exclusive right to: determine its organization; direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish its educational policies, goals and objectives; ensure the rights and educational opportunities of students; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and the District retains the right to hire, classify, assign, evaluate, promote, terminate, and discipline employees. The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

3.2 EMERGENCIES

Nothing herein shall be construed to limit the authority of Administration to make temporary assignments to different or additional locations, shifts, or work duties for the purpose of meeting emergencies, as defined in Section 8558(c) of the Government Code. However, such emergency assignments shall not extend beyond the period of such emergency. Nothing in this section shall be construed to include a fiscal emergency.

3.3 PHYSICAL EXAMINATIONS

Employment and pre-employment physical examinations, fitness for duty examinations, and tests related to communicable diseases shall comply with applicable sections of the Education Code, board policies, and accompanying administrative regulations for both applicants and employees. Costs associated with examinations and tests will be borne by the District.

ARTICLE 4 – EMPLOYEE RIGHTS

- 4.1 The District will make payroll deductions for employees requesting them for payment of Union-sponsored insurance.
- 4.2 The District and Union recognize that the District has an obligation under the Americans with Disabilities Act (ADA) to meet with individual employees who allege a need for reasonable accommodation in the work place because of a disability. The Union will be advised of any proposed accommodation prior to implementation by the District. In the event individual accommodations impact directly on the wages, hours, or working conditions of other employees, such accommodations shall be subject to the grievance and arbitration provisions contained herein.
- 4.3 An employee shall have the right to Union representation at any meeting of an investigatory nature between the employee and a management person if it may reasonably be concluded from all of the circumstances that the meeting may lead to the suspension, reprimand, demotion, reduction in class, or dismissal of the employee. If the employee makes such a request the management person shall then have the right to have a person of the manager's choice present as observer.
- 4.4 It is the policy of the Board of Trustees of Napa Valley Community College to provide a work environment free of unwelcome sexual overtures or advances and free of conduct creating an intimidating, hostile or offensive environment for all employees of the District. It is the direction of this policy that any employee found to have committed an act of sexual harassment shall be subject to disciplinary action up to and including dismissal. No employee shall be suspended without pay or dismissed under this policy unless it is determined that the act of sexual harassment substantially and adversely affected the harassed employee's ability to perform his/her duties for the District.

ARTICLE 5 – VACANCIES

- 5.1 When a classified position is vacated, a temporary/substitute employee may be hired to fill the vacancy for a period of 120 work days. This time period may be extended for another 60 work days through the meet and confer process. If and when there are breaks in service in the particular assignment, the position may be again filled by a temporary/substitute employee consistent with the time frames set forth above.
- 5.2 If the employee works on the 121st work day, or the 181st work day when an extension has been agreed to, the employee shall become a regular, classified employee and shall not serve a probationary period. The 121st or 181st day shall be considered the first day of employment in regular status and shall be considered the anniversary date. The FTE of the regular position shall be determined based on the FTE worked in the temporary position and shall be no less than a ten-month position.

After successfully completing the probationary period, the employee may hold his/her position as long as he/she satisfactorily performs the required duties of the classification. In-service training which will contribute to success on the job shall be provided for each incoming employee.
- 6.2.2 If circumstances warrant, and at the discretion of the Superintendent/President or designee, a probationary period may be extended up to one year (eighteen (18) months for Peace Officers) from the date of employment by giving notice to the employee fifteen (15) calendar days prior to the scheduled completion date of the probationary period.
- 6.2.3 During the probationary period, any classified employee shall be subject to summary termination and shall not have the right to a hearing with respect thereto.
- 6.2.4 An employee who applies for and is hired into a different salary range shall serve a probationary period as defined in Article 6.1. The hire date into a different salary range shall become the new salary date of employment, but the employee shall retain his/her step on the salary schedule, as well as his/her anniversary date. The probationary period may be extended as described in Article 6.2.2. In-service training shall be provided. In the event an employee fails to successfully complete a promotional probationary period, the employee shall be returned to his/her former classification.
- 6.2.5 An employee who laterally transfers into a different position at the same salary range shall serve a probationary period as defined in Article 6.1, but shall retain salary step and anniversary and salary dates. In-service training shall be provided. In the event an employee fails to successfully complete the probationary period, the employee shall be returned to his/her former classification.
- 6.2.6 An employee may resign without prejudice by giving written notice to the District.

ARTICLE 7 – ANNIVERSARY AND SALARY DATES

- 7.1 Anniversary Date shall be defined as the first date of hire for employees. This date shall prevail in matters of earned vacation and sick leave time, for the new employee's initial probationary period, and for seniority purposes.
- 7.2 Salary Date is the first date of the following month if the new employee was hired after the fifteenth of the month, or the first of the new month in which he/she was hired if before the sixteenth of the month.

He/she shall be eligible for a second increase one year later and each succeeding twelve (12) months thereafter until reaching the top step. Employees placed on Step C or D when hired will receive increases beginning on the thirteenth month following the salary date of employment.

An employee who applies for and is hired into a higher classification will be placed on the salary schedule pursuant to Articles 7.3.1 and 7.3.2, but at a step that results in a base salary increase of at least five (5) percent.

- 7.2.2 An unfavorable performance evaluation by the supervisor may prevent advancement on the salary schedule until the employee demonstrates satisfactory job performance. Reasons for such action shall be clearly stated in writing and attached to the performance evaluation. When satisfactory job performance is demonstrated, the employee shall be advanced and there shall be no change in the employee's anniversary date.

7.3 SALARY GUIDE

- 7.3.1 New employees with less than two (2) years of comparable experience shall receive placement on Step A.

In these circumstances, the hire date into the new salary range shall become the new salary date of employment, but the employee shall retain his/her anniversary date.
- 7.3.2 New employees with acceptable previous experience shall be given one (1) step for every two (2) years of experience, not to exceed placement on Step D.
- 7.3.2.1 Any current, regular employee hired into a higher classification will be placed at a step that results in at least a five percent (5%) base salary increase, not to exceed placement at Step F. - 7.3.4 A current employee who is laterally transferred into a different position at the same salary range shall serve a probationary period as defined in 6.1, but shall retain salary step and anniversary and salary dates.
- 7.3.5 A former employee returning to his/her prior classification within 39 months after separation shall be placed on the step he/she was on when last employed by the District.

Table of Contents

ARTICLE 8 – EVALUATION OF EMPLOYEES

Employees shall be evaluated at least once per year until they reach the F step on the salary schedule, currently the last of the non-longevity steps. Employees on the F step or higher shall be evaluated on a three-year rotation. Employees serving a probationary period shall be evaluated at three months and again before the six-month probationary period ends. Nothing in this article shall be construed to limit in any way the District's right to initiate an evaluation outside of the regularly scheduled evaluation process.

- 8.1 Evaluations shall be based on direct observation, knowledge of the evaluator, and other reliable information.
- 8.2 No classified employee may evaluate another classified employee.
- 8.3 Review and discussion of performance evaluations shall take place during duty hours.
- 8.4 All employees have the right to Union representation when performance evaluations are discussed.
- 8.5 After the discussion with the evaluator, the employee must sign the evaluation, but the signature will not necessarily mean the employee agrees with the evaluation.
- 8.6 The evaluation shall be placed in the personnel file after discussion between the evaluator and the employee. The discussion shall include strengths, weaknesses, and recommendations for improvement as appropriate. The evaluation shall be placed in the personnel file after the employee has had ten (10) working days to attach written comments to the evaluation, if desired.
- 8.7 If any deficiency in performance is serious in nature or is of a pattern sufficient to cause an overall performance evaluation of "needs improvement," the evaluator shall notify the evaluatee in writing of such fact within fifteen (15) working days of either the serious incident or the most recent occurrence of an element of the pattern. The evaluator shall make specific written recommendations for improvement and shall endeavor to assist in improving the evaluatee's performance.
- 8.8 If an employee is given a "needs improvement" evaluation, the formal evaluation summary shall contain all of the following:
 - 8.8.1 The manner in which the employee is not meeting District standards;
 - 8.8.2 What must be done to correct the deficiencies outlined;
 - 8.8.3 Specific recommendations/plans for improvement and how improvement will be measured; and
 - 8.8.4 A specified time period in which the employee must show improvement in the areas specified in the recommendations/plans for improvement.
- 8.9 All employees, including probationary employees, may appeal the content of a "needs improvement" rating on the Classified Performance Assessment and Development Plan through the following procedures.

- 8.9.1 Request an appeal within ten (10) working days of the performance appraisal. The employee's request should be sent to the supervisor's supervisor with a copy of the request to the supervisor and the Office of Human Resources.
- 8.9.2 The person receiving the request will schedule a meeting with both parties within ten (10) working days of receiving the request.
- 8.9.3 He/she will render a written decision to the employee within two weeks, with a copy to the supervisor and the Office of Human Resources. If the decision results in a change in the evaluation recorded on the form, a new form will be completed and the previous form will be destroyed.

- 9.5.1.6 Health Insurance: Up to the contribution limits listed in 9.5.1.5, employees shall have the option of any PERS-offered plan for which the employee is eligible, or a mutually agreed upon plan. Brochures for all plans are available in the Office of Human Resources.

9.5.1.7 Benefit Allotment Share: A District employee who qualifies as a dependent with another district employee under district sponsored health plans may elect to enroll together under one subscriber for the purpose of applying district benefit allotment toward one medical plan premium.

- a. Both employees will be subject to share half the cost of any premium amounts in excess of the applied district allotment.
- b. If the employment status of an employee engaged in this arrangement changes to the extent that one employee would no longer be eligible for district allotment, the district will apply the medical premium rate as posted annually to all other eligible employees to the remaining employee and the premium share agreement will be void.
- c. Both employees must request this arrangement in writing. Incoming new hires, with a spouse currently enrolled in a family plan, will be able to participate in cost share at the time the benefit eligibility occurs. Incoming new hires, with a spouse not currently enrolled in a family plan will be able to participate in a cost share plan at open enrollment, or other qualifying event. Current employees with a spouse enrolled in a family plan, whom have waived their own rights to coverage may participate in cost share at any time. Current employees with a spouse enrolled in a single or two party plan, whom also have their own plan, may elect to participate in cost sharing during open enrollment, or other qualifying event.
- d. Employee may elect or opt out of a premium share agreement during open enrollment, or other qualifying event.

9.6.3 Effective January 1, 2005, any regular classified employee who is less than full-time and who is also teaching as a part-time hourly instructor in the credit program may combine the classified medical benefit allotment and the part-time hourly member contribution to pay for health and welfare benefits.

9.6.4 The total amount provided cannot exceed the amount for a full-time allotment for a classified employee for similar coverage.

9.7 RETIREMENT

Each employee who works more than 20 hours per week is required by state law to become a member of the Public Employees Retirement System (PERS) on the first of the month following employment. Once an employee becomes a member, he/she will continue to be a member while employed regardless of the number of hours worked. Each employee who is a member of PERS is required to contribute to the retirement system in accordance with PERS Rules and Regulations beginning the first of the month following employment or reemployment.

9.8 RETIREE MEDICAL BENEFIT VESTING REQUIREMENT

As provided in Government Code 22895, the District and Union agree that all employees covered by this agreement and hired on or after December 8, 2005, must have a minimum of fifteen (15) credited years of service as a regular employee of Napa Valley College to be eligible to receive the CalPERS retiree medical benefit program per the Napa Valley College/CalPERS resolution. Each eligible member must also meet all other CalPERS retirement requirements to be eligible for the retiree medical benefit.

A credited year of service for the purpose of this Article shall be defined as one (1) calendar year for full-time employees whose assignments are ten (10), eleven (11), or twelve (12) months. Less-than-full-time employees shall earn one credited year of service for a minimum of 1,733 hours of employment as a regular employee per calendar year.

9.9 RETIREE HEALTH BENEFITS

9.10 MILEAGE

The District will pay the current maximum-allowed IRS rate for employee automobile usage as authorized by the District for reimbursement.

9.11 CAMPUS POLICE DEPARTMENT UNIFORM CLEANING ALLOWANCE

Effective July 1, 2018, all Campus Police Department employees requiring a uniform will receive a monthly uniform cleaning allowance of \$150 on their pay warrant as compensation.

9.12 FOOTWEAR PROTECTION REIMBURSEMENT

To be in compliance with OSHA standard 1910.136(a) Footwear Protection, the District shall ensure that each affected employee uses protective footwear when working in areas where there is a danger of foot injuries due to falling or rolling objects, or objects piercing the sole, and where such employees' feet are exposed to electrical hazards.

Effective March 1, 2011, employees in the following classifications are required to wear proper footwear protection while on duty: Building Mechanics (Electrician, HVAC, Painter, Plumbing and Irrigation); Building Specialist; Groundskeepers; and Warehouse Technician.

Footwear shall be certified as having an ASTM F2413-05 PT Class 75 Protective Toe for all of the above listed job classifications. Additionally, footwear for Electrician and HVAC Building Mechanics will also meet the ASTM F2413-05 Electrical Hazard Standard.

The District will provide up to \$150 reimbursement annually to employees in these job classifications for purchasing footwear that meets the standard, and up to \$175 annually for shoe sizes over 12. The employees will be responsible for purchasing footwear and for providing the original receipt to the Facilities Services office. Additionally, the employee shall be responsible for wearing the appropriate footwear while on duty.

This reimbursement pertains to the above classifications of employees only.

ARTICLE 10 – PRORATION OF BENEFITS

- 10.1 A classified employee who works a minimum of thirty (30) minutes per day in excess of his/her part-time assignment for a period of twenty (20) consecutive working days or more, shall have his/her basic assignment changed to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis.
- 10.2 If a part-time employee's average paid time, excluding overtime for which the employee receives compensation at a rate at least equal to time and one-half, exceeds his average assigned time by fifty (50) minutes or more per working day in any quarter, the hours paid per day for compensable leaves of absence and holidays in the succeeding quarter shall be equivalent to the average hours paid per working day in the preceding quarter, excluding overtime.
- 10.3 Except where vacation entitlement is accrued on the basis of actual hours of paid regular service, vacation entitlement shall be based on the average number of hours worked per working day during the portion of the school year in which the employee is assigned to duty.
- 10.4 It is the intent of this section to ensure that part-time employees are accorded fringe benefits on an appropriate prorated basis with full recognition given to the number of hours worked by the part-time employee rather than on the basis of time fixed to the position when the fixed time is not reasonably correlated with the actual time worked. This section is to be liberally construed in order that the provisions of this section may not be circumvented by requiring employees to work in excess of the regularly fixed hours for a position on an overtime basis but for which premium pay is not provided nor appropriate adjustment is not made in fringe benefit entitlement.

ARTICLE 11 – LEAVE

11.1 GUIDING PRINCIPLES FOR LEAVE

The purpose of this Article is to outline the array of leave provisions available to support the diverse needs of the employee group, recognizing that the employee is one of the institution's greatest assets. The District acknowledges the value of the employee's time, both at work and away from work, and recognizes that leave for self and family helps achieve the highest level of employee performance. The leave provisions set forth in this Article shall be applied in a reasonable, consistent, and fair manner, acknowledging the importance of "work-life" balance for all employees. While on paid leave, employees will not lose seniority. Further, these leave provisions must comply with Education Code and/or other state or federal regulations.

11.2 DEFINITION OF IMMEDIATE FAMILY

For purposes of this Article, an immediate family member shall be limited to mother, father, grandmother, grandfather, or a grandchild of the employee or of the spouse or registered domestic partner of the employee, and the spouse or registered domestic partner, son, son-in-law, daughter, daughter-in-law, brother, or sister of the employee or any relative living in the immediate household of the employee unless otherwise specifically defined in this Article.

11.3 PERSONAL ILLNESS AND INJURY LEAVE

11.3.1 Each full-time employee, starting from the date of employment, shall be credited with one (1) day of personal illness and injury leave for each calendar month worked. Each July 1, regular full-time, twelve-month employees will be granted 96 hours personal illness and injury leave for the upcoming fiscal year. That amount is pro-rated for regular part-time and less-than-twelve-month employees.

11.3.2 Unused personal illness and injury leave shall be cumulative indefinitely.

11.3.3 Leave accumulated under Article 11.3.1 may be used for diagnosis, care, or treatment of an existing health condition of, or preventative care for, an employee, which includes medical, dental, and vision appointments.

11.3.4 Leave slips should be submitted to supervisor within five (5) days of returning from leave, except where otherwise noted in this agreement.

11.3.5 The employee will submit a Request for Leave Form in advance to notify the supervisor of prescheduled appointments.

11.3.6 In case of planned, long-term, medical absence, a Request for Leave Form and medical verification will be submitted in advance to the Office of Human Resources.

11.3.7 Any absence due to illness or injury which exceeds five (5) days duration shall be supported by a written statement from a licensed health care practitioner indicating the reason for and length of disability. Pursuant to Article 23.3.1, the District reserves the right to request medical verification acceptable to the District for absences of shorter duration if there is cause.

11.3.8 PROTECTED SICK LEAVE: An employer is required by Labor Code 233 to allow an employee to use one-half of the employee's annual accrued personal illness and injury leave for the reasons outlined in Articles 11.3.8.1 to 11.3.8.3. Leave under Article 11.3.8 will be hereinafter referred to as Protected Sick Leave.

11.3.8.1 The diagnosis, care, or treatment of an existing health condition of, or preventative care for, an employee.

11.3.8.2 The diagnosis, care, or treatment of an existing health condition of, or preventative care for parent, parent-in law, child, spouse, registered domestic partner, grandparent, grandchild or sibling of the unit member. The District and Union agree to expand this list to include any member of the employee's immediate family defined in Article 11.2.

11.3.8.3 An employee who is a victim of domestic violence, sexual assault or stalking for the purposes defined in Labor Code 230.1.

11.3.8.4 A unit member may use accrued personal illness and injury leave for reasons defined in Article 11.3.8.1 as described in Articles 11.3.1 through 11.3.7.

11.3.8.5 A full-time employee may use a maximum of six (6) days of personal illness or injury leave per fiscal year for the reasons outlined in Articles 11.3.8.2 and 11.3.8.3. Less-than-full-time employees will have their Protected Sick Leave entitlement prorated, and employees who work an 11- or 12-month year as part of their regular schedule will have Protected Sick Leave entitlement adjusted accordingly.

11.3.8.6 When leave is used under Articles 11.3.8.1 through 11.3.8.3, the leave must be designated as Protected Sick Leave on the Request for Leave Form. Any absence, which exceeds five (5) days duration, shall be supported by a written statement of a licensed health care practitioner indicating the reason for the absence.

11.4 DIFFERENCE PAY

Any employee who is absent for reason of illness or accident (whether nonindustrial or industrial) after exhaustion of all fully paid leaves to which he/she is entitled shall, during the first five (5) months of the absence, receive his/her regular salary less the amount paid to a person employed as his/her substitute. The five-month period shall begin on the first day of absence due to illness or injury.

11.5 PERSONAL NECESSITY LEAVE

At the employee's election, leave accumulated under Article 11.3 (Personal Illness and Injury Leave) may be used for purposes of personal necessity, provided that use of such personal necessity does not exceed seven (7) days in any fiscal year. (Education Code 88207) (See Article 11.2 for definition of immediate family.)

11.5.1 For purposes of this provision, personal necessity shall be limited to:

11.5.1.1 Death of a member of the employee's immediate family when additional leave is required beyond that provided by Bereavement Leave.

- 11.5.1.2 Accident involving the employee's person or property, or the person or property of a member of his/her immediate family.
- 11.5.1.3 Appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or any order made with jurisdiction.
- 11.5.1.4 Other personal necessities are allowed at the discretion of the Executive Director of Human Resources, provided that under no circumstances shall leave be available for purposes of personal convenience, for the extension of a holiday or vacation period, for matters which can be taken care of outside of work hours, or for recreational activities.
- 11.5.1.5 The following qualify as allowable Personal Necessity Leave, pursuant to Article 11.5.1.4:
 - 11.5.1.5.1 Care for a member of the employee's immediate household. The employee may be required to submit a statement from a doctor confirming the need for the employee's presence.
 - 11.5.1.5.2 Illness of the employee's immediate family when additional leave is needed beyond that allowed by Protected Sick Leave.
 - 11.5.1.5.3 Child-related activities outlined in Article 11.6.5.
- 11.5.2 Before the utilization of personal necessity leave, an employee must obtain prior written approval from the immediate supervisor, except for cases related to 11.5.1.1, 11.5.1.2, and 11.5.1.5.1 of this Article. Should circumstances outlined in 11.5.1.1, 11.5.1.2, or 11.5.1.5.1 arise, the employee shall make every effort to comply with District procedures for notification. Under all circumstances, employees shall verify in writing that the Personal Necessity leave was used only for the purpose set forth in 11.5.1. Employees will be subject to appropriate discipline if the leave was used for purposes other than stipulated.

11.6 FAMILY CARE AND MEDICAL LEAVE OPTIONS

Additional state and federal laws provide protected unpaid leave, which runs concurrently with accrued leave, and in some cases allow employees to use accrued illness and injury leave for parental leave.

Information regarding protected leave options and other pregnancy and child-related leave options are included below. Employees may contact Human Resources for additional information and consultation regarding leave options.

11.6.1 FAMILY AND MEDICAL LEAVE

11.6.1.1 Employee Eligibility

Article 11.6.1 will only apply to the administration of the Federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991 (collectively, "FMLA/CFRA"). Leave under FMLA/CFRA is unpaid leave unless

an employee is eligible to use accrued or other paid leave for absence. See Article 11.6.1.6. Leave used under FMLA/CFRA must be designated as FMLA/CFRA on the Request for Leave Form.

The following conditions, requirements, and procedures shall apply when requests for family care and medical leave are made:

To be eligible for benefits under FMLA/CFRA, an employee must:

- A. Have worked for the District for at least 12 months; and
- B. Have worked at least 1,250 hours over the previous 12 months for the District (by example, 182 days x 7 hours = 1,274).

11.6.1.2 Reasons for Taking Leave

A leave request from an eligible employee must be granted for any of the following reasons:

- 11.6.1.2.1 Birth of the employee's child;
- 11.6.1.2.2 Placement of a child with the employee for adoption or foster care;
- 11.6.1.2.3 Care for the employee's child, spouse, or parent with a serious health condition;
- 11.6.1.2.4 The employee's own serious health condition that keeps his/her own job function from being performed;
- 11.6.1.2.5 A qualifying exigency arising from the foreign deployment of the employee's spouse, son, daughter, or parent with the Armed Forces ("qualified exigency"); or
- 11.6.1.2.6 To care for a service member with a serious injury or illness if the employee is the service member's spouse, son, daughter, parent, or next of kin ("military caregiver").

11.6.1.3 Advance Notice of Leave and Medical Certification

Employees will provide (1) advance written notice of the leave request and (2) medical certifications whenever a serious health condition is involved.

- 11.6.1.3.1 If the need for the leave is foreseeable, employees will provide 30 days advance written notice. If the need for the leave is unforeseen (i.e., an emergency), notice is required to be given as soon as practicable.
- 11.6.1.3.2 If the leave is to care for a child, spouse or parent with a serious health condition, or because of the employee's own serious health condition, the employee will provide medical

certification from a health care provider or physician. The medical certification must include:

- A. Date of commencement of the serious health condition;
- B. Probable duration of the condition;
- C. Estimated amount of time the health care provider will provide care; and
- D. Confirmation that the serious condition of the child, spouse or parent warrants the participation of the employee; or, in the case of the employee's own serious health condition, certification that the employee is unable to perform his/her job functions.

11.6.1.3.3 If the leave is for the employee's own serious health condition, the District may require a second and third medical opinion at the District's expense.

11.6.1.3.4 If the leave is needed for planned medical treatment or supervision, the employee must make a reasonable effort to schedule the treatment or supervision to minimize disruptions to the District.

11.6.1.4 Continuation of Health Coverage and Other Job Benefit Plan

11.6.1.4.1 An employee taking leave under FMLA/CFRA will continue to participate in any group health care benefits plan under the same terms and conditions, including any necessary co-payments, by which the employee was enrolled prior to the first day of the leave.

11.6.1.4.2 If the employee fails to return from the leave for any reason other than the recurrence, continuance, or onset of a serious health condition, the employee will be liable to the District for premiums paid for maintaining the employee's health coverage.

11.6.1.4.3 An employee may, at his/her expense, continue to participate in all other employee benefit plans offered by the employer during the leave period.

11.6.1.5 Intermittent or Reduced Schedule Leave

An employee may take leave intermittently (e.g., in blocks of time), or by reducing a normal work schedule, in the following circumstances:

11.6.1.5.1 Where the leave is for the birth or placement of a child, leave may be taken on an intermittent or reduced schedule basis if the District approves.

11.6.1.5.2 Leave may be taken intermittently or on a reduced work schedule whenever it is medically necessary to care for a family member with a serious health condition, or because the employee is seriously ill and unable to work the employee's regular work schedule.

11.6.1.6 Substitution of Paid Leave and Other Leave Requests

An employee must substitute accrued vacation or other paid leave, including personal illness and injury, where applicable, for the unpaid family care leave entitlement.

11.6.1.7 Maternity

A woman on maternity leave will not start using family care leave under CFRA until her disability period is over (i.e., when employee's physician takes her off pregnancy-related disability).

11.6.1.8 Spouses Who Work for the District

Spouses employed by the District are jointly entitled to a combined total of 12 workweeks of family leave for the birth or placement of a child with them. There is no limitation of entitlement for leaves taken for the serious health condition of their child.

11.6.1.9 Period of Eligibility Per Fiscal Year

The 12-workweek period (26 workweeks for military caregiver leave) of entitlement commences on the first day of the leave.

11.6.1.10 Seniority, Employee Benefits, and Break in Service

An employee on leave will not lose any seniority or employment benefit that accrued prior to the start of the leave. An employee on leave will not accrue seniority or additional benefits, such as illness and injury leave or similar benefits, during any unpaid leave under FMLA/CFRA. The leave will not constitute a break in service for purposes of longevity and seniority.

11.6.1.11 Reinstatement of Employment and Fitness-for-Duty Report

Employees returning from an approved leave will be reinstated to the same or equivalent position. Employees returning from an approved medical leave for their own serious health condition may be required to provide a fitness for duty report to return to work.

[\[CFRA - Govt. Code § 12945.2; FMLA - 29 U.S.C. § 2601 et. seq.\]](#)

11.6.2 MATERNITY LEAVE

- 11.6.2.1 Pregnancy Disability Leave: Employees are entitled to use accumulated personal illness and injury leave as set forth in Article 11.3, and non-accumulated personal illness and injury leave as set forth in Article 11.4 for disabilities caused or contributed to by pregnancy, abortion, miscarriage, childbirth, and recovery therefrom. The length of such disability leave, including the date on which the leave shall commence and the date on which the employee shall resume duties, shall be determined by the employee and the employee's physician.

The foregoing provisions applicable to pregnancy disability leave shall be applied on the same terms and conditions applied to other temporary disabilities. It is the intent of the parties to this Agreement that the foregoing provisions be construed and applied in accordance with all applicable statutes and regulations.

- 11.6.2.2 Additional Leave Without Pay: Additional maternity leave without pay may be granted for a period up to three (3) months and may be extended for up to another six (6) months upon mutual agreement between the employee and the immediate supervisor, with approval from the Board of Trustees. The District must be notified of intent to take leave at least 30 days before commencement of the leave. An employee on unpaid maternity leave shall be entitled to pay to the District all benefit premiums, in which case the District will continue coverage, subject to approval of the carrier. Such payments must be made in accordance with District procedures.

11.6.3 CHILD BONDING LEAVE

- 11.6.3.1 Per Education Code section 88207.5, a classified employee may take up to 30 days of leave in a fiscal year, less than any days of leave authorized pursuant to Education Code section 88207 (Personal Necessity Leave), in either of the following circumstances:
- 11.6.3.1.1 A biological parent may use Child Bonding Leave pursuant to this Article within the first year of his or her infant's birth.
 - 11.6.3.1.2 A nonbiological parent may use Child Bonding Leave pursuant to this Article within the first year of legally adopting a child.
- 11.6.3.2 An employee may use accrued Vacation, Personal Illness or Injury Leave or unpaid leave for Child Bonding Leave. Leave used under this Article must be designated at Child Bonding Leave on the Request for Leave Form.

11.6.4 PARENTAL LEAVE

Per Education Code section 88196.1, a classified employee may use accrued illness and injury leave for the purposes of parental leave for a period of up to 12 workweeks.

11.6.4.1 Parental leave is defined as leave for reason of the birth of a child of the employee, or the placement of a child of an employee in connection with the adoption or foster care of the child by the employee.

11.6.4.2 When an employee has exhausted all available illness and injury leave, including all accumulated illness and injury leave, and continues to be absent from his or her duties on account of parental leave the amount deducted from the employee's salary for any of the remaining portion of the 12-workweek parental leave shall be the amount actually paid a substitute employee to fill the position during the leave.

11.6.4.3 For purposes of this Article all of the following apply:

11.6.4.3.1 The 12-workweek period shall be reduced by any period of illness and injury leave, including accumulated illness and injury leave, taken during a period of parental leave.

11.6.4.3.2 An employee shall not be provided more than one 12-workweek period for parental leave during any 12-month period.

11.6.4.3.3 Parental leave taken pursuant to this section shall run concurrently with parental leave taken pursuant to Section 12945.2 of the Government Code. The aggregate amount of parental leave taken pursuant to this section and Section 12945.2 of the Government Code shall not exceed 12 workweeks in a 12-month period.

11.6.4.4 Nothing in this section prevents an employee from choosing to use vacation leave in lieu of the parental leave described in this section. Vacation leave will be counted toward the 12 workweeks of parental leave described above.

11.6.5 CHILD-RELATED ACTIVITIES LEAVE

Labor Code section 230.8 provides for an employee to take off up to 40 hours per year for "child-related" activities if the employee is a parent of one or more children of the age to attend kindergarten, grades 1 to 12, or a licensed child care provider.

Employees may use Personal Business Leave as defined in Article 11.10, Personal Necessity Leave as defined by Article 11.5, Vacation Leave as defined by Article 12, or unpaid leave for Child-Related Activities Leave. Child-related activities are defined as follows:

11.6.5.1 To find, enroll, or reenroll his or her child in a school or with a licensed child care provider, or to participate in activities of the school or licensed child care

provider of his or her child, if the employee, prior to taking the time off, gives reasonable notice to the employer of the planned absence of the employee. Time off pursuant to this Article shall not exceed eight hours in any calendar month of the year.

- 11.6.5.2 To address a child care provider or school emergency, if the employee gives notice to the employer. Emergency for the purposes of this Article is defined as:
 - 11.6.5.2.1 The school or child care provider has requested that the child be picked up, or has an attendance policy, excluding planned holidays, that prohibits the child from attending or requires the child to be picked up from the school or child care provider due to:
 - A. Behavioral or discipline problems;
 - B. Closure or unexpected unavailability of the school or child care provider, excluding planned holidays; and
 - C. A natural disaster, including, but not limited to, fire, earthquake, or flood.
- 11.6.5.3 If more than one parent of a child is employed by the District at the same worksite, the entitlement under Article 11.6.5 of a planned absence as to that child applies, at any one time, only to the parent who first gives notice to the employer, such that another parent may take a planned absence simultaneously as to that same child under the conditions described in Article 11.6.5 only if he or she obtains the employer's approval for the requested time off.
- 11.6.5.4 "Parent" is defined to include a parent, guardian, stepparent, foster parent, or grandparent of, or a person who stands in loco parentis to, a child.
- 11.6.5.5 Except for the need to address a child care provider or school emergency, the use of such leave is limited to 8 hours per month.
- 11.6.5.6 Employee must provide reasonable notice to District of the need for such child-related activities leave. Additionally, if requested by the District, the employee shall provide documentation from the school or licensed child care provider as proof that he or she engaged in child-related activities permitted in subdivision (a) on a specific date and at a particular time. For purposes of this Article subdivision, "documentation" means whatever written verification of parental participation the school or licensed child care provider deems appropriate and reasonable.

11.7 DISABILITY LEAVE

- 11.7.1 Article 9.5.3.2 provides that the District will cover the premium for group disability insurance for employees. This is a benefit provided by the District.
- 11.7.2 While receiving group disability benefits, employees must be on approved paid or unpaid leave per Articles 11.3, 11.4, 11.6, 11.7, 11.8, 11.10, 11.12, 11.13, and 11.14 of this agreement in order to remain an employee of the District.
- 11.7.3 The District's contribution toward fringe benefits will continue while the employee is on paid leave. An employee on approved unpaid leave shall have the option of continuing all health and welfare benefits for the period of the leave at the employee's expense by providing the District with monthly premium payments in the full amount of the premium.

11.8 CATASTROPHIC LEAVE

Consistent with California Education Code section 87045, the District established a catastrophic leave bank to support regular employees who have exhausted all forms of paid leave to which they are entitled and, if eligible, district-paid group salary protection and are faced with a catastrophic illness or injury (as defined in Education Code Section 87045). The purposes for which the bank is established are:

- a. to provide financial support to employees in times of personal need;
 - b. to retain employees who might otherwise be forced to resign from their jobs;
 - c. to provide employees with the ability to assist their co-workers; and
 - d. to build a sense of college "community" among staff.
- 11.8.1 Catastrophic illness or injury means an illness or injury that is expected to incapacitate the employee for an extended period of time or that incapacitates a member of the employee's immediate family (as defined in Article 11.2). Such incapacity would require the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off work creates a financial hardship for the employee because he or she has exhausted all forms of paid leave to which he or she is entitled and, if eligible, District-paid group salary protection.
- 11.8.2 Whenever it is feasible, and when ADA guidelines are applicable, the District will work with the employee to identify alternative work arrangements that will enable him/her to continue working. If mutually agreeable arrangements cannot be made, the employee may request catastrophic leave.
- 11.8.3 Any regular District employee may donate to the bank. The catastrophic leave bank includes contributions from all regular employee groups: classified, administrative/confidential, and contract/regular faculty. Employee contributions to the bank will be made on a voluntary basis, and donations are irrevocable.
- 11.8.4 Administrative/confidential and classified donors must have a balance of accrued personal illness and injury leave of at least 80 hours and contract/regular faculty must have a balance of accrued personal illness and injury leave of at least 60 hours in order to contribute to the bank.

- 11.8.5 Any full-time classified employee may, upon written notice to the District, donate accrued personal illness and injury leave and/or vacation leave at a minimum of eight hours and in hourly increments thereafter. Donations for less-than-full-time employees shall be prorated based on their current FTE. There is no limit to the leave time that can be donated to the bank.
- 11.8.6 In addition to an annual, anonymous leave donation drive, periodic requests for leave donations may be made during the year if the bank balance goes below 480 hours.
- 11.8.7 All hours donated whether vacation or personal illness and injury leave, will be converted to personal illness and injury leave.
- 11.8.8 The use of catastrophic leave is limited to classified and administrative/ confidential employees who have donated the minimum of eight hours to the bank and contract/regular faculty who have donated the minimum of six hours to the bank.
- 11.8.9 Eligible donated leave credits may be transferred to a regular classified or administrative/confidential employee or contract/regular faculty member from the leave pool if all of the following requirements are met:
- a. The employee who is, or whose family member is, suffering from a catastrophic illness or injury requests that eligible leave credits be transferred and submits verification of catastrophic illness provided by a licensed physician and/or licensed nurse practitioner to Human Resources.
 - b. The employee has exhausted all paid leave to which they are entitled, (including personal illness and injury leave, vacation time, and compensatory time) and, if eligible, district-paid group income protection.
 - c. The District (Executive Director, Human Resources or Superintendent/ President's designee) determines that the employee is unable to work due to the employee's or his/her family member's catastrophic illness or injury.
- 11.8.10 Donated leave shall be credited each pay period as time is taken and is subject to the recipient's normal payroll deductions. Hours shall be paid at the recipient's rate of pay.
- 11.8.11 For purposes of PERS service credit and length of service, catastrophic leave will be considered time worked.
- 11.8.12 The maximum amount of time for which donated leave may be used is 66 working days in a three-year period. Any use of leave by less-than-full-time employees shall be prorated based on the employee's regular position FTE. There is no minimum amount of time.
- 11.8.13 The employee continues to accrue leave (personal illness and injury leave, vacation) during this Catastrophic Leave. Employees must exhaust all forms of paid leave to which they are entitled before using catastrophic leave. Therefore, when regular paid leave is accrued, catastrophic leave will cease until that leave is exhausted. The District will continue to pay the employee's district health and welfare benefits at the same level the employee was receiving prior to going on leave.

- 11.8.14 The Catastrophic Leave Program is a bona-fide leave sharing arrangement for a medical emergency as defined in IRS Ruling 90-29. Pursuant to IRS Ruling 90-29, personal illness and injury leave and vacation time transferred under such arrangements shall not be considered wages for the employee who surrenders the leave and will therefore not be included in gross income or subject to withholding. The gross value of the donated leave shall be reported as income, and be taxable, to the donee/recipient.
- 11.8.15 All recipients and donors will remain anonymous, except for those District officers and employees who have a business need to know.
- 11.8.16 The District has no responsibility to provide catastrophic leave.

11.9 JURY DUTY LEAVE

- 11.9.1 The District agrees to grant employees called for jury duty leave of absence without loss of pay for the time the employee is required to perform jury duty during the employee's regularly assigned working hours. The District shall pay the difference, if any, between the employee's regular rate of pay and the amount received for jury duty less meals and travel allowance. Fees received from jury service rendered during any portion of the employee's regularly assigned work hours shall be turned over to the payroll department.
- 11.9.2 Upon release from jury duty during regularly assigned work hours, the employee must return to his/her work station if at least four hours remain in his/her work day.
- 11.9.3 Any day during which an employee whose regular assigned shift commences at 2:30 p.m. or later and who has reported for jury duty shall be relieved from work with pay.
- 11.9.4 Employees called for jury duty shall notify the supervisor or the Office of Human Resources of service date(s) upon receiving notice from the officer of the court. Upon completion of jury duty, it shall be the employee's responsibility to verify dates and hours of service.

11.10 PERSONAL BUSINESS LEAVE

Full-time employees shall be entitled to two days (16 hours) per year of Personal Business Leave, not charged to personal illness and injury leave. This leave is pro-rated for less-than-full-time employees. The leave may be taken in increments of one (1) hour, and up to ten (10) hours during a 4/10 workday, but not to exceed sixteen (16) hours of total leave usage. The employee must give the District three (3) working days notice. A year is considered to be from July 1 through June 30. Unused days do not accumulate, and must be used by July 1. - 11.12.2 Employees who have suffered an industrial accident or illness shall immediately report the accident or illness to the District. The District shall prepare an accident report and submit it to Keenan and Associates. The employee shall be furnished a copy of this report.
- 11.12.3 Industrial accident and illness leave shall not exceed sixty (60) days during which the college is in session or when the employee would otherwise have been performing work for the District in any one fiscal year for the same industrial injury or illness. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the employee shall be entitled to only the amount remaining at the end of the fiscal year for the same illness or injury.
- 11.12.4 Industrial accident and illness leave shall commence on the first day of absence. Leave allowable under this section shall not accumulate from year to year. Industrial accident and illness leave will be reduced by one day for each day of authorized absence regardless of compensation award made under workers' compensation.
- 11.12.5 The District has the right to have the employee examined by a physician designated by the District to assist in determining the length of time during which the employee will be temporarily unable to perform assigned duties and the degree to which disability is attributable to the injury involved.
- 11.12.6 For any days of absence from duty as a result of the same industrial accident, the employee shall endorse to the District any wage-loss benefit check from the Self-Funded Workers' Compensation Insurance Fund. The District, in turn, shall issue the employee appropriate warrants for payment of wages and shall deduct normal retirement and other authorized contributions.

If the employee fails to endorse to the District any wage-loss benefit check from the Self-Funded Workers' Compensation Insurance Fund, the District shall deduct the amount of such benefit check received and retained by the employee from the employee's salary warrant.

- 11.12.7 When entitlement to industrial accident or illness leave has been exhausted, entitlement to other personal illness and injury leave will then be used; but if an employee is receiving workers' compensation, the person shall be entitled to use only so much of the person's accumulated or available personal illness and injury leave, accumulated compensatory time, vacation, or other available leave which, when added to the workers' compensation award, provide for a full day's wage or salary.

- 11.12.8 When all available leaves of absence, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the person's position, the person shall, if not placed in another position, be placed on a reemployment list for a period of 39 months. When available, during the 39-month period, the person shall be employed in a vacant position, in the class of the person's previous assignment over all other available candidates, except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations.

At any time, during the prescribed 39 months, the employee is able to assume the duties of his/her position, he/she shall be reemployed in the first vacancy in his/her classification. His/her reemployment will take preference over all other applicants except for those laid off for lack of work or funds under Education Code section 88127, in which case he/she shall be ranked according to his/her proper seniority. Upon resumption of his/her duties, the break in service shall be disregarded and he/she shall be fully restored as a regular employee.

14.3 CALENDAR OF WORK

14.3.2 Nothing herein shall be construed to limit the District's ability to require overtime.

Employees in these departments shall agree to work the full number of hours of their shift without a duty-free lunch period. Child Development Center classroom staff will eat lunch during their shifts with children who are under their supervision/care. College Police Department and Student Health Center employees will eat at their discretion during their shift. Provided employees remain on duty during said time period, the District will pay employees their regular wages.

14.5 REST PERIODS

Employees shall be permitted a paid, fifteen (15) minute rest break for each four (4) hours of assigned work at the approximate mid-point of their four (4) hour assignment. Rest periods may not be combined, used during the first or last hour of the assigned workday, or used to shorten the workday.

14.6 OVERTIME

14.6.1 Authorization

Provisions for a forty (40) hour workweek do not restrict the Superintendent/ President from extending the regular work schedule on an overtime basis when such is necessary, in his/her sole discretion, to carry on the business of the District.

14.6.2 Designation of Overtime

14.6.2.1 Full-time Employees, Five (5) Day Workweek

Work performed in excess of eight (8) hours in one (1) day or forty (40) hours in a workweek shall be classified as overtime when approved in advance by the supervisor. See Article 14.2.2 for Four-Ten Workweek.

When an employee is called back to work on a regular work day, he/she shall be guaranteed at least two (2) hours of pay and shall be compensated at one-and-one-half (1 ½) times his/her regular base rate of pay for hours in excess of eight (8) hours in a workday or forty (40) in a workweek.

14.6.2.2 Part-Time Employees

Work performed in excess of eight (8) hours in one day or forty (40) hours in one (1) workweek, or work performed on the sixth (6th) or seventh (7th) day of the employee's workweek, shall be classified as overtime when approved in advance by the supervisor. See Article 14.2.2 for Four-Ten Workweek.

14.6.2.3 Computation of Overtime

For the purpose of computing the number of hours worked, time during which the employee is excused from work because of holidays, sick leave, vacation, compensatory time off, or paid leaves of absence, shall be considered as time worked by the employee.

14.6.2.4 Overtime for Non-Working Days

An employee who is called in or called back to work in excess of his/her regular work assignment on a non-working day shall be guaranteed at least two (2) hours of pay and shall be compensated at one-and-one-half (1 ½) times his/her regular base rate of pay for hours in excess of eight (8) hours in a workday or forty (40) hours in a workweek. An employee scheduled for an overtime assignment on a non-working day shall be scheduled for at least four (4) hours.

14.6.2.5 An employee shall not be required to adjust his/her scheduled workday and/or workweek in order to avoid payment of overtime and/or shift differential. Except in cases where employees have been hired into a position that requires a split shift or flexible hours, the District shall discourage the assignment of split shifts for classified employees. In the event a split shift is necessary for the completion of business, the District and Union will meet and confer.

14.6.3 Compensatory Time Off for Overtime

14.6.3.1 At the option of the employee and upon approval by the District, overtime compensation may be in the form of compensatory time off at the rate of one-and-one-half (1 ½) the hours of overtime worked.

14.6.3.2 The request for compensatory time off in lieu of overtime pay shall normally be made at the time it is earned, but in no event shall such request be made later than the payroll deadline of the current pay period.

14.6.3.3 Compensatory time may be accumulated, but any such time accumulated must be taken within twelve (12) months of being earned. Compensatory time off shall be scheduled by mutual agreement between the employee and the District. The District shall make every reasonable effort to schedule compensatory time off which would otherwise be lost due to the twelve (12) month limit on accumulation specified in this paragraph. In the event compensatory time cannot be scheduled by the District within the twelve (12) month time period, the employee shall be paid the full value of such time in cash. When compensatory time off is not scheduled or requested, overtime hours shall be paid at the rate of one-and-one-half (1 ½) pay for hours scheduled and worked.

14.7 ALTERNATIVE WORK SCHEDULES

14.7.1 The District shall review and consider, on a case by case basis, plans advanced by employees within the unit and submitted by the Union, for alternative work schedules. The standard work schedule is considered Monday through Friday, 8:00 a.m. to 5:00 p.m., plus or minus one (1) hour to the start and end times of the shift, unless the job announcement specified a different shift. An alternate work schedule is one that deviates from this standard schedule and requires mutual agreement between the District and the Union.

14.7.2 Prior to implementation of any alternative work schedule, the District and the Union shall agree, in writing, on the administration of overtime, premium pay, and leaves with pay, including holidays, as these may apply to the proposed alternative work schedule. The administration of these provisions shall be on a cost equivalent basis such that employees working an alternative schedule shall be compensated neither more nor less than employees working a regular schedule. Upon execution of a memorandum of understanding (MOU) regarding the administration of these provisions for employees working an alternative schedule, the applicable provisions of this Agreement shall be amended for those employees affected by the alternative schedule without further action by the parties.

14.7.3 The decision to implement alternative work schedules for any employee or group of employees shall be at the sole discretion of the District and approval or implementation of alternative work schedules for any employee or group of employees shall not be construed to set a precedent for approval or implementation of any other future work schedules submitted by the Union.

14.8 FLEXIBLE SCHEDULES

14.8.1 Due to the irregular nature of the scheduling of athletic and theatrical activities, a flexible work schedule is necessary for certain positions in those areas, such as the Theater Technician and Athletic Trainer.

For these positions, the employees shall have a regular work schedule as determined by the supervisor and communicated to the employee in writing. The work schedule shall not exceed eight hours in a day or forty hours in a week, unless on an approved alternate work schedule. The employees' regular work week shall be Monday through Friday, and no work week will consist of more than five (5) consecutive days, unless overtime is approved. Except in cases where employees have been hired into a position that requires

a split shift or flexible hours, the District shall discourage the assignment of split shifts for classified employees. In the event a split shift is necessary for the completion of business, the District and Union will meet and confer.

When it is necessary to flex the schedule to accommodate the program's needs, the work shall be scheduled no less than 10 work days prior to the days and/or times to be adjusted. It shall be the right of the employee to agree to an adjustment of hours or days with less than 10 work days notice, and no penalty can be assigned for declining such a request. Such requests shall include those emergency requests where 10 work days notice is not possible. Each of these emergency situations shall be considered on its own merits, and the supervisor will not process an excess number of these "emergency" requests.

- 14.8.2 Sworn employees of the College Police Department are required to work a 4/10 work schedule. Per Article 14.4.2, those who are subject to call for service during the lunch period will work 10 hours and take a 30-minute paid lunch break. Sworn employees will be required to respond to high priority calls during their lunch period.

The District retains the right to change a sworn employee's day off at any time with less than 48-hours notice without incurring overtime liability in order to meet departmental needs related to emergencies, investigations, court subpoenas, and other unplanned events. The District will provide as much notice as reasonable for planned events and schedule changes.

In situations where the District will not incur an overtime obligation, and with approval, sworn employees may trade individual work days or work shifts. Sworn employees may not trade more than two consecutive days.

When sworn employees are scheduled to appear in court, they are required to check with the court the day before to see if they are still required to appear. Cancellation of scheduled appearance must be made at least two hours before said scheduled appearance or the minimum three hours shall be paid. Employees who receive a subpoena to appear in court shall notify their supervisor of the appearance date and time in order to provide necessary time to review the schedule to determine what staffing will be needed.

The CRC shall consist of two (2) persons appointed by the Union, who shall serve on release time, the Classification and Compensation Analyst, the Executive Director of Human Resources, and two (2) persons appointed by the District. - The Classification and Compensation Analyst will present the findings of their assessment to the CRC for review and consideration. Requests not meeting the criteria will not be considered and will be returned to the employee. There will be no appeal or grievances to this decision.

- The Executive Director of Human Resources and the Classification and Compensation Analyst will make recommendations concerning changes to the proposed job descriptions. The recommendations will be processed and analyzed utilizing the software acquired during the 2017-2018 Classification and Compensation Study. The results of the analysis will be presented to the CRC for review.

ARTICLE 18 – LAYOFF AND REEMPLOYMENT

- 18.1 Per Education Code Section 88127, classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, the order of layoff within the classification shall be determined by length of service. The employee who has been employed for the shortest time in the classification, plus higher classifications, shall be laid off first. Reemployment shall be in the reverse order of layoff.

For the purposes of this Article, for service commencing or continuing after July 1, 1971, "length of service" means all hours in paid status, whether during the school year, a holiday, recess, or during any period that a school is in session or closed, but does not include any hours compensated solely on an overtime basis as provided for in Education Code Section 88127. Nothing contained in this section shall preclude the governing board of the District from granting of "length of service" credit for time spent on military leave of absence, or unpaid illness leave, or unpaid industrial accident leave.

"Hours in paid status" shall not be interpreted to mean any service performed prior to entering into a probationary or regular status in the classified service of the District.

- 18.2 Per Education Code Section 88117, persons laid off because of lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the District during the period of thirty-nine (39) months.

Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff, or to remain in their present positions rather than to be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period up to twenty-four (24) months; provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.

Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the option of the employee, returned to positions in their former classes or to positions with increased assigned time as vacancies become available, and without limitation of time; but if there is a valid reemployment list they shall be ranked on that list in accordance with their proper seniority.

- Review alternatives to layoffs
- Identify classifications/people involved
- Identify retraining options
- Review seniority list
- Project retirements, vacancies, transfers, etc.
- Consider equity amongst employee groups
- Assess impact of problem
- Identify alternatives/options

ARTICLE 22 – GRIEVANCE PROCESS

This grievance procedure is intended to provide a fair, consistent, and expeditious process for resolving contractual differences in an acceptable manner for all parties. The parties to this agreement realize these differences of opinion can be disruptive to the efficient operation of the District and unsettling to the employee.

Supervisors are encouraged to fully inform employees of the reasons for their decisions and to listen and respond to employee questions about their decisions. The parties are encouraged to resolve their differences prior to the need for a formal grievance. Employees are encouraged to use the grievance process, rather than to let issues continue without resolution. In the course of the formal grievance procedure, all parties will make a concerted “good faith effort” to resolve the differences at the earliest possible step in the procedure.

22.1 DEFINITIONS

A “Grievance” is a formal written allegation by a grievant who has been adversely affected by a violation or, perceived violation, of this agreement or any rights or laws governing the classified professionals at Napa Valley College. All complaints involving or concerning provisions of the labor agreement with regard to compensation shall be initially filed in writing with the Executive Director of Human Resources who shall meet and confer with the union. If the matter is not resolved at this level, it will be referred to the grievance process.

- A “grievant” may be an employee or the Union.
- A “day” is a day in which the Office of Human Resources is open for business.
- The “immediate supervisor” is the lowest level manager/supervisor having immediate jurisdiction over the grievant who has been designated by the District to adjust grievances.

- This procedure is meant to help facilitate and encourage effective communication between the Union and the District.

22.2 INFORMAL LEVEL

Any employee who believes that he/she has a grievance shall discuss his/her complaint with his/her immediate supervisor within fifteen (15) work days of the incident or occurrence (or fifteen (15) work days from which the employee gained knowledge of the incident). This meeting shall be held in an effort to resolve the grievance informally. The immediate supervisor shall have ten (10) work days from the date of the informal discussion to respond to the employee. If an agreement is reached to resolve the issue, the supervisor will confirm the outcome in writing.

If the supervisor’s response does not resolve the grievance, the employee has ten (10) work days from the supervisor’s response date to file the grievance in writing with the supervisor’s supervisor or his/her designee. If the immediate supervisor fails to respond to the informal grievance, the employee has ten (10) work days from the date the supervisor’s response was due to file the grievance in writing with the supervisor’s supervisor or his/her designee.

22.3 FORMAL LEVEL

22.3.1 Level I

Within ten (10) work days, the supervisor's supervisor will meet with the grievant and his/her Union representative in an effort to resolve the matter. The supervisor's supervisor shall provide a written response to the formal grievance within ten (10) work days of the meeting.

22.3.2 Level II

In the event the grievant is not satisfied with the decision at Level I, the grievant may appeal the decision to the Superintendent/President or designee within ten (10) work days.

The appeal should include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal. The Superintendent/President or designee shall communicate a decision in writing within ten (10) work days after receiving the appeal.

Either the grievant or the Superintendent/President or designee may request a personal conference within the above time limits. If the Superintendent/ President or designee does not respond within the time limits, the grievant may appeal to the next level.

22.3.3 Level III

If the parties are unable to reach a mutually satisfactory agreement at Level II of the process, the grievant shall have fifteen (15) work days to request in writing that he/she be scheduled for a Hearing with an Adjustment Board.

The Adjustment Board will be convened within ninety (90) work days of receipt of the timely request for an Adjustment Board Hearing. The Adjustment Board shall be comprised of a mediator from the State Mediation and Conciliation Service, one (1) Union representative and one (1) representative of the District. The mediator shall be selected by mutual agreement from the State Mediation and Conciliation Service. The Adjustment Board shall set the matter for hearing and shall give the employee at least five (5) working days written notice of the date and place of such hearing.

The written recommendation of the Adjustment Board shall be provided to the grievant within fifteen (15) work days of the hearing and shall include the grievant's right to appeal to the Board of Trustees. The recommendation of the Adjustment Board shall be advisory only. The Adjustment Board shall not issue any public statement of fact or opinion on the matter in question.

22.3.4 Level IV

In the event that either party is not satisfied with the recommendation(s) of the Adjustment Board, he/she may appeal the decision in writing to the Board of Trustees within fifteen (15) work days of receiving the written recommendation of the Adjustment Board.

The recommendation of the Adjustment Board shall only be advisory to the Board of Trustees, which shall render a final determination in the matter. The grievant will be notified in writing of the final determination of the Board of Trustees within fifteen (15) work days of the board's decision.

22.4 REPRESENTATION

- 22.4.1 The employee shall have the right to Union representation at all levels of the grievance procedure. - 22.4.2 An employee shall have the right to Union representation at any meeting of an investigatory nature between the employee and a management person, if it may reasonably be concluded from all of the circumstances that the meeting may lead to the suspension, reprimand, demotion, reduction in class, or dismissal of the employee. If the employee makes such a request, the management person shall then have the right to have a person of the manager's choice present as observer.
- 22.4.3 Because the Americans with Disabilities Act of 1990 requires reasonable accommodation in the work place for persons with disabilities, and such determination is made on a case-by-case basis, any accommodation provided to an individual protected by the ADA shall not establish a past practice in the grievance and arbitration process.

23.1 INTRODUCTION

Napa Valley College values student success, honesty, integrity, innovation, creativity, adaptability, respect for all people, appreciation of diversity, responsibility, accountability to self and others, and openness to ideas and opinions. In support of these values, there are occasions that require the district to take disciplinary action. Progressive disciplinary steps may include verbal warning, written warning, and/or written reprimand prior to suspension or dismissal, unless the conduct warrants otherwise. The parties recognize that there are numerous circumstances that could provide cause for more direct corrective action, up to and including termination of employment.

The hearing shall be scheduled with an Adjustment Board which shall be comprised of a mediator from the State Mediation and Conciliation Service, one (1) Union representative and one (1) representative of the District. The mediator shall be selected by mutual agreement from the State Mediation and Conciliation Service. The Adjustment Board will be convened within ninety (90) work days of receipt of the timely request for an Adjustment Board Hearing. The Adjustment Board shall set the matter for hearing and give the employee at least five (5) days written notice of the date and place of such hearing.

The recommendation of the Adjustment Board shall be advisory only. The Adjustment Board shall not issue any public statement of fact or opinion on the matter in question.

23.4.2.1 If the hearing is held during the work hours of employee(s), witness(es) and such, District employees shall be released without any loss of pay or benefits, to appear at the hearing.

23.4.2.2 At the hearing, the burden of proof shall be upon the party attempting to substantiate the charges.

23.4.2.3 In arriving at a recommendation, the Adjustment Board may consider any prior disciplinary actions.

23.4.2.4 A written record of the hearing shall be provided by the District. At least two (2) working days prior to the hearing, the employee may inquire how the hearing will be recorded. If a court reporter is not to be used and the employee requests that such reporter be used, the cost shall be borne by the employee unless the District desires a copy of the transcript and then the cost of the reporter and of the transcript shall be borne equally between the District and the employee.

23.4.2.5 A written recommendation, reviewed and signed by the Adjustment Board, shall be considered by the Board of Trustees during closed session of a regular meeting, no later than sixty (60) days after the hearing. The Board of Trustees shall make the final decision related to the imposition of discipline.

The Board of Trustees shall provide written notice to the employee and his or her representative of the final determination related to discipline within ten (10) working days after the meeting of the board.

23.4.2.6 Disciplinary action shall be governed solely by the provisions of this Article and shall not be subject to the Grievance Procedure.

ARTICLE 24 – PERSONNEL FILES

- 24.1 The Office of Human Resources shall establish and maintain a personnel file for each member of the classified unit. The file shall be the official employer repository for personnel records. These personnel files are confidential and access should be limited to those with a “business right to know.”
- 24.2 A log will be kept inside the file and recorded thereupon each time the file is accessed. (This does not include the Office of Human Resources personnel accessing the file for normal operation procedures of the department.)
- 24.3 All employees have the right to inspect their personnel files, review the materials contained in the files, and receive a copy of the materials upon request. Such review shall take place during normal business hours. The employee shall arrange for an appointment with the Office of Human Resources, and shall be released from duty for this purpose without salary reduction.
- 24.4 No critical, negative, or adverse materials will be included in an employee’s personnel file until he/she has had an opportunity to review the material. The employee shall also be given an opportunity to write comments about the critical, negative or adverse materials in the personnel file and submit comments within fifteen (15) working days of the notification.
- 24.5 All materials of a critical, negative, or adverse nature, which are placed in an employee’s personnel file, shall be supported by written evidence.
- 24.6 No critical, negative, or adverse materials shall be entered into the employee’s personnel file which does not bear the author’s signature and date of writing.
- 24.7 If critical, negative, or adverse material is placed in employee’s personnel file, the employee may request that the supervisor/administrator review the critical, negative, or adverse material and have placed into the file progress towards improvement.
- 24.8 Between six (6) months and twelve (12) months after the critical, negative, or adverse material is entered into the personnel file, the employee may petition for exoneration of the critical, negative, or adverse material. If the petition is approved, then a statement of exoneration will be added to the file.
- 24.9 This Article will not apply to materials received prior to employment or materials received in connection with advancement or promotion procedures.
- 24.10 All critical, negative, or adverse material, other than employee performance evaluations, may be sealed after being in the file for a period of two (2) years upon request of the employee. Sealed documents shall remain in the personnel file. The sealed document may only be opened by order of the Superintendent/President of Napa Valley College or designee, for the purpose of complying with a court order, a lawfully issued subpoena, or the written consent of the employee, or as determined as necessary by the Superintendent/President in order to respond to information requests submitted by such third party agencies as EEOC, DFEH, and OCR, or when the Superintendent/President determines it is necessary to rebut assertions of denial from an employee regarding prior notification of disciplinary matters.
- 24.11 Materials relating to any disciplinary action recommended, but not taken, or disciplinary actions overturned, shall not be retained in a member’s personnel file.

ARTICLE 25 – UNION PACKET AND DISTRIBUTION THEREOF

The District and Union agree to the following terms and conditions to meet the requirements of AB 119 (2017):

1.0 DISTRICT NOTICE TO UNION OF NEW PROBATIONARY/REGULAR CLASSIFIED EMPLOYEES

- 1.1 The District shall provide the NVC-ACP Union President with the full legal name, date of hire, classification, and work location for any newly hired probationary/regular, classified unit member(s) within ten (10) days of date of hire via electronic mail.
- 1.2 For the purposes of this agreement, a "newly hired employee" or "new hire" means any probationary/regular, classified employee hired by the District and whose employment has been ratified at a Board of Trustees' meeting. This includes all employees who are or have been previously employed by the District and whose new position places them in the bargaining unit represented by Union. For those latter employees and for purposes of this agreement, the "date of hire" is the date upon which the employee's employee status changed to probationary/regular, classified unit member.

Personal information for this purpose includes the following: home address, home and cell phone numbers, and personal email address. Additionally, the District shall provide this information for all probationary/regular classified unit members on or before January 30, May 30 and September 30 each year with the exception of personal information pertaining to employees performing law-enforcement related functions as noted above.

In the event no new probationary/regular, classified employees are hired between January 30-May 29, May 30-September 29, or September 30-January 29 of any year, the District shall send an e-mail to the NVC-ACP Union President confirming no new classified unit members were hired.

3.0 NEW EMPLOYEE ORIENTATION

- 3.1 "New employee orientation" means the onboarding process of a newly hired public employee, whether in person, online, or through other means or mediums, in which employees are advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.
- 3.2 The District will schedule a New Employee Union Orientation for a minimum of thirty (30) minutes and a maximum of sixty (60) minutes every second Tuesday following a regularly scheduled Board of Trustees meeting at 3:00 p.m. for one (1) Union representative, including but not limited to a Union representative, Union officer, Union steward or other Union member to meet with new probationary/regular, classified unit members in the Classified Lounge located in building 1300.

4.0 GRIEVANCE PROCEDURE

4.1 Any alleged violation, misinterpretation, or misapplication of the terms of this Agreement shall be subject to the grievance provisions of the Collective Bargaining Agreement, except as follows.

4.1.1 Definition of a "Grievant": For the purposes of this Agreement, the "Grievant" shall only be SEIU and its Chapter 1021. No single employee or group of employees may grieve this agreement, unless they are authorized representatives of SEIU and its Chapter 1021 and grieving on behalf of the union.

4.1.2 Opportunity to Cure: Before filing a grievance alleging the District failed to provide information required under this MOU, Union will notify the District that it failed to provide information and the District will have ten (10) business days to provide the information. The timelines for filing a grievance will commence after the ten (10) business day period has expired if the District fails to provide the information in that time. See Article 23 for grievance process.

This Memorandum of Understanding ("MOU") takes effect upon signature by both Parties and is effective until the Parties enter a successor agreement to the collective bargaining agreement (new contract term).

The MOU will be treated as a tentative agreement to be added to the collective bargaining agreement as a new Appendix during the next successor negotiations cycle.

This Appendix cannot be reopened other than in years when the whole contract is open for negotiations as a successor agreement.
