

"A VISIT TO SANTA'S WORKSHOP"

Holiday TOY DRIVE

Join SEIU 1021 and nonprofit community partners around Northern California in celebrating the fourth annual Visit to Santa's Workshop. Over the past years, the SEIU 1021 Toy Drive has successfully collected and distributed more than 10,000 toys. We're partnering with community organizations to collect new, unwrapped toys to distribute for families. Due to the effects of the pandemic and inflation, we anticipate this year's requests for toys will be higher than ever, so please contribute if you're able!

WE ARE ACCEPTING DONATIONS OF BRAND NEW (NOT GIFT-WRAPPED) TOYS THAT YOU MAY DROP OFF AT OUR SELECTED OFFICE LOCATIONS FROM
